How Zoom classes will work:

- You do not need to have a Zoom account to participate in a Zoom class.
- You can register and pay for Zoom classes through the stores (by phone or in person), just like an in-person class.
- Supply lists will be available in-store and online.
- You must supply a current email address when you sign up so that instructors will be able to send out invitations to join the class, as well as any class handouts.
- Teachers will email the invitation links to join the class approximately 24 hours in advance. There will be no class refunds with less than 48 hours notice.
- If you are new to Zoom, check into the class 10-15 minutes ahead of time and follow the prompts to set up your audio and video.
