 - You can register and pay for Zoom classes through the stores (by phone or in person), just like an in-person class.
 - Supply lists will be available in-store and online.
 - You must supply a current email address when you sign up so that instructors will be able to send out invitations to join the class.
 - Teachers will email the invitation links to join the class at least 24 hours in advance. There will be no class refunds with less than 48 hours notice.
 - If you are new to Zoom, please check into the class ahead of time and follow the prompts to set up audio and video.
