

Dual Compartment Padded Laptop or Tablet Pouch - **NEW**

with Beth Ann Williams

Make a stylish padded protective pouch for your laptop or tablet! The large size comfortably fits a laptop up to 15" long x 10" wide x 1" deep. Class instructions will include optional custom resizing directions as well as preset dimensions for a medium size suitable for a tablet. An additional padded compartment is perfect for cords, earbuds, etc. - or whatever else you need to bring along.

Intermediate, \$35; includes pattern currently available exclusively to class participants.

Please call the Wyoming, MI Lakeshore Sewing store at 616-531-5561 to register for this online Zoom class.

How Zoom classes will work:

- You do not need to have a Zoom account to participate in a Zoom class.
- You can register and pay for Zoom classes through the stores (by phone or in person), just like an in-person class.
- Supply lists will be available in-store and online.
- You must supply a current email address when you sign up so that instructors will be able to send out invitations to join the class.
- Teachers will email the invitation links to join the class at least 24 hours in advance. There will be no class refunds with less than 48 hours notice.
- If you are new to Zoom, please check into the class ahead of time and follow the prompts to set up audio and video.

PLEASE NOTE: Zoom seems to work best in conjunction with Google Chrome, Mozilla Firefox, or Chromium Edge.
