

Tool Tote — NEW with J'Ann McEwen

This is a smaller version of the Boxy Tote bag. It is also from Penny Sturges /Quilts Illustrated and includes the hardware required. Those who have requested this class have completed the Boxy Tote Bag and feel “semi” comfortable with choosing their fabrics and cutting.

Skill Level: Intermediate, \$45

WYOMING - Thurs., Mar 11, 18 & Apr 1; 1:30 - 5:30 p.m.

Supply List:

Tool Tote Pattern ps054 designed by Penny Sturges / Quilts Illustrated (includes hardware)

Fabric A: **Outer end pockets, handle and outer bag front and back - 1/2 yard**

Fabric B: **Outer bag ends, inner bag ends, outer bag front and back pockets, inner bag front and back - 1 yard**

Fabric C: **Inner end pockets, inner front and back pockets, outer bag end pocket linings, outer bag front and back pocket linings - 3/4 yard**

Note: On my next bag I would definitely make the handles longer. Just something to think about — if you get a little extra of each fabric you can certainly switch the fabrics around if you want.

PFF - Bosal #326LF/426LF single sided light fusible batting — 3/4 yard (44” wide)

Foam - Bosal #495S In-R-Form single sided fusible foam — 1 yard (58” wide)

Craf-Tex #337 double sided fusible stabilizer — 1/3 yard (20” wide). This is optional as a bottom insert for the bag. I believe I used two layers of 72 Peltex. You could even use cardboard or acrylic.

Clover Wonder Clips (15 - 20)(I prefer those that have a flat area where you can sew right up to the foot (Magic Clips I believe they are called) (available at Lakeshore))

24” separating zipper, color coordinated to match fabric. Zipper is prominent in the finished bag. You may want to consider a “double pull, head-to-head zipper instead of a single-pull. Your choice.

Thread for quilting and thread for bag

Machine in good working order

Sew Steady table if you have one and want to bring it

Machine feet including zipper foot — skinny zipper foot if you have one

Walking foot for quilting

90 Topstitch needle. May want to bring a 90 Stretch or 90 Microtex needle as well as some machines have trouble skipping stitches and the stretch needle seems to help with this problem.

Fabric marking pencil or other marking pencil

Basic sewing supplies including: Scissors, Seam ripper, Straight pins

Rotary cutter (45 mm recommended), Rotary cutting mat (18” x 24” recommended)

Rulers (I suggest a 6 1/2” x 24” and others of your choosing) I also used an 8 1/2” x 24” ruler — bring only if you already have one.

PLEASE HAVE SUPPLIES AND BOOK PURCHASED PRIOR TO CLASS DATE

Save 10% on class supplies purchased at Lakeshore Sewing!

Whenever possible, please order or purchase class supplies at least 2 weeks in advance. Thank you!
