

Custom Labels with Julie Norkoli

In this class you will learn how to create your own custom labels that can be added to quilts, purses, clothes or any project for a personalized touch. We will be focusing on Babylock embroidery machines, but if you have another machine and are very familiar with the editing features, you are welcome to attend. Machines such as the Baby Lock Adventura II, Flourish II and up have this capability.

Confident Beginner: requires basic skills (rotary cutting/sewing an accurate seam allowance)
