Whatever tools you use to sew with

Your leftover fabric

Bring a walking foot if you have one (not mandatory to make the bag)

All pieces *MUST* be cut and linings, as indicated in the pattern, attached to outside pieces before class time. This takes from 2 to 4 hours. It takes all of the allotted class time to sew the bag.

The 5 outside pockets, the removable shoulder strap, and the pocket flap all have foam cut but it does not get attached to the fabric on these pieces only.
