- Supply lists will be available in-store and online.
- You must supply a current email address when you sign up so that instructors will be able to send out invitations to join the class.
- Teachers will email the invitation links to join the class at least 24 hours in advance. There will be no class refunds with less than 48 hours notice.
- If you are new to Zoom, please check into the class ahead of time and follow the prompts to set up audio and video.
- *PLEASE NOTE: Zoom seems to work best in conjunction with Google Chrome, Mozilla Firefox, or Chromium Edge.*

Supply List:

Sewing machine in good working order; set up with an extension table or Sew Steady table, if you have it

Walking foot (you will probably need to purchase this separately)

Guide bar for your walking foot (if one came with the foot)

Sewing machine needles - *My preference for this class is the Schmetz Quilting needle, size 75.*

Thread & extra bobbins (wound)

50 wt. mercerized cotton thread such as Auriful 50 wt. cotton thread OR your favorite thread for machine quilting.

If you would like to experiment with variegated thread, Rainbows or Fantastico by Superior Threads is recommended with Bottom Line by Superior Threads in the bobbin.

Note: Bottom Line may also be used in both the top and in the bobbin; a Schmetz Microtex needle, size 70 is recommended when using Bottom Line as the top thread as well as in the bobbin.

Marking pencil (my favorites are the Quilter's Ultimate Marking Pencil and the Bohin Extra-Fine Chalk Pencil)

Low-tack masking tape or painter's tape, small bowl or saucer

Small scissors, seam ripper
