

Intro to ByAnnie Techniques - Call Me Bag with Alison Zeerip & Tammy Killebrew

Come join us and learn how to create ByAnnie's professional looking projects using her techniques. We will be learning quilting with foam, zipper application, working with vinyl, sewing fold over elastic onto mesh for pockets, & binding. Kits will come with materials you will need to create the Call Me name tag/cell phone bag, as well as three other patterns for you to practice the techniques at home.

Once you have registered for the class and purchased your kit (which will be provided on the day of the class), you will need to select two fat quarters and one YKK \$2.20 zipper of your color preference; these items are included in the kit cost.

You'll want to pick out your fat quarters ahead of time so you'll know what color(s) thread to bring.
