### Annual LFA Exhibit

The Fiber Arts Group will have a showing of their art at the Wyoming Store the month of September. Come see what we have done during the year at the few meetings we were able to have as well in our time spent at home. There was gel plate printing, a three-drawer fabric box, T-shirt weaving and a 6" and 10" square challenge. The Artist at Play category shows just how much fun we can have playing with our art. Come see the show in September!

*Photos are from the previous show. Thanks so much to all of the artists for sharing their work!*
